Description:

UNDERGROUND PARKING FACILITY – 3,500 M² IN THE HEART OF PORTO

A truly distinctive investment opportunity in the city center of Porto.

Located on Rua do Heroísmo, in a privileged location with excellent centrality, this spacious underground parking facility is integrated beneath a shopping center, with an approximate area of 3,500 m², distributed across two basement levels.

The facility offers 136 parking spaces, providing significant capacity and a large-scale parking solution in an area where demand for spaces is high and constant.

The operation of the space is prepared for professional and efficient use, featuring a cashier operator at the entrance and a dedicated office for management and operational support of the facility.

One of the major advantages of this property is its strategic location, in the heart of Porto and very close to Porto's transport terminal, benefiting from proximity to an important mobility network, commerce, services, residential areas, and various points of interest in the city.

AN ASSET WITH SCALE AND LOCATION

With approximately 3,500 m², 136 spaces, two basement levels, operational support infrastructure, and a

central location, this parking facility combines particularly attractive characteristics for those seeking a real estate investment with significant scale and strong operational potential.

Parking is a permanent necessity in a city like Porto, and finding an asset of this size, in such a central location and with privileged access to transportation, is an uncommon opportunity.
