Description:

Traditional Spanish Villa with Guest Accommodation, Private Pool & Exceptional Potential

A rare opportunity to acquire a beautiful traditional Spanish villa in one of the most sought-after areas of Ciudad Quesada, offering something increasingly difficult to find — space, character and exceptional versatility.

Unlike many of the newer properties in the area, this established home offers generous accommodation both inside and out, with multiple living spaces and independent guest accommodation, making it ideal for a large family, those looking to accommodate guests, or buyers seeking the potential to create additional rental accommodation.

A Home Designed for Family & Guests

The main residence offers four bedrooms, providing generous accommodation for family living, with a shared bathroom conveniently positioned at the opposite side of the house.

Adding even greater flexibility is a separate two-bedroom guest property, complete with its own ensuite facilities and independent access. With both a front and rear entrance, guests can come and go with ease while enjoying a greater sense of privacy and independence.

There is also a further separate bedroom with its own ensuite, providing yet another private space for family or guests.

The property features a spacious open-plan living and dining area, a fully fitted kitchen together with a second kitchen, creating excellent flexibility for entertaining or independent guest accommodation. A feature fireplace, air conditioning and ceiling fans add comfort throughout the year.

Exceptional Potential

One of the property's most exciting features is the large garage, which is currently used for storage but offers excellent potential for conversion into a further self-contained apartment, subject of course to the necessary permissions.

This gives the property the potential to provide multiple independent living areas, making it particularly appealing to buyers looking for a large family home, multi-generational living or additional accommodation for guests.

Beautiful Spanish Outdoor Living

Outside, the property continues to impress with its private gardens, south-facing orientation and private swimming pool.

The outdoor spaces have been designed for enjoying the Spanish lifestyle, with an outdoor kitchen and BBQ area, covered entertaining areas and attractive views over the gardens and pool.

The generous plot provides plenty of room for relaxing, entertaining and enjoying long summer days beside the pool, while the gated entrance and private parking add security and convenience.
