The apartment has been designed by an architect and fully renovated. Windows have been replaced, and a modern layout and finishes have been considered. Ideal for both permanent residence and vacation or investment. In the apartment: \* 3 bedrooms; \* 1 bathroom with underfloor heating; \* spacious living room and large dining area; \* modern kitchen with island and all necessary appliances: oven, microwave, dishwasher, etc.; \* spacious balcony with sea views; \* separate technical room next to the kitchen with boiler and washing machine; \* air conditioning hot/cold. The master bedroom overlooks the street, one bedroom opens to the spacious balcony, and the third — to the inner patio.
