Description of the property

Upon entering the property, a spacious entrance hall leads to the main living level. Here, there is a cosy living room, with a wood-burning fireplace, which flows seamlessly into the large, luxuriously finished kitchen. Both the living room and kitchen have direct access to the L-shaped naya, which opens onto the garden and pool area. This level also comprises three double bedrooms, two bathrooms, one of which is en-suite, and a guest toilet. An internal staircase leads to the upper floor, where the master bedroom is located. The attractive landscaped garden is easy to maintain and offers several areas to relax and enjoy outdoor living, including

the spacious terrace surrounding the swimming pool. The generous naya areas provide several covered seating areas and also create an inviting setting for outdoor dining.

In addition to the outdoor spaces, the property also benefits from a garage/storage room and a carport.
