Description:

This attractive 2-bedroom, 2-bathroom end-terrace Lola-style property for sale in La Fiesta, Ciudad Quesada offers spacious accommodation in one of the area's established residential locations. The popular Lola design is particularly sought after for its traditional Mediterranean character and practical layout, while the end-terrace position provides additional privacy. With approximately 100m² of accommodation on a 100m² plot, this exclusive property is an excellent choice for permanent living or as a Costa Blanca holiday home.

Inside, the property offers two bedrooms and two bathrooms, together with an independent kitchen and comfortable living accommodation. Its generous 100m² build provides noticeably more interior space than many typical two-bedroom properties in this price range. The practical layout works equally well for couples, visiting family and guests, while the two bathrooms add valuable convenience for both holiday and year-round living.

Outside, the property benefits from its own private parking and outdoor space for enjoying the Costa Blanca climate. Everyday amenities are approximately 1 km away, while La Marquesa Golf Course is

around 2 km from the property. The beaches of Guardamar and the Costa Blanca are approximately 8 km away, with Alicante Airport around 38 km away. Combining a desirable Lola-style design, end position, two bathrooms and a convenient Ciudad Quesada location, this is a property well worth viewing.
