Description:

We present this rustic land of about 1.1 hectares, located in Montoito, municipality of Redondo, in a quiet area with a strong agricultural tradition, where the Alentejo landscape is combined with the potential for rural exploration.

The property currently has olive trees, allowing the cultivation of the olive grove, vineyard and or the development of an agricultural project according to the objectives of the new owner.

One of its main differentials is the existence of a well, providing an important resource to support agricultural exploration, and easy access through the municipal road, making the property practical and accessible throughout the year.

It is an excellent agricultural opportunity, given that this area is part of the recent and structural investments to expand the irrigation of the EDIA - Reguengos Irrigation Block, aimed mainly at supporting small agricultural properties in the region.

An interesting opportunity for those looking for a rustic land.

If you are looking for land with area, water and good access, this may be the opportunity you were looking for.
