Description:

Commercial space with shop window, direct access to the outside and parking in Carnide.

It has a large and functional configuration, consisting of: Large and versatile commercial area, Two sanitary facilities, Storefront with visibility to the outside, Direct and independent access to the public road, Four parking spaces.

Located in the Carnide area of Lisbon, the property benefits from a consolidated urban location, close to commerce, services, restaurants, health facilities and residential areas.

It is also relatively close to important landmarks, such as the Colombo Shopping Centre, the Estádio da Luz and the Hospital da Luz Lisboa, as well as the main road accessibilities of the city, including the 2nd Circular and the North-South Axis.

The area's public transport network is also an asset, making it easy to travel to different areas of Lisbon and its surroundings.

The combination of the available area, the storefront, the direct access to the outside and the four parking spaces makes this space suitable for commerce and services.

The owning bank will analyze and decide on proposals for the acquisition of this asset for an amount equal to or greater than the announced price and that are received by 12:00 pm on 12 10 2026, the date on which all proposals will be considered to have been received simultaneously.
