Description:

Discover an exceptional new-build development in a truly unique location on the Costa de Almería. Situated directly on the seafront in Vera Playa, this exclusive residential resort brings together contemporary architecture, comfort and the Mediterranean lifestyle.

The development comprises 156 avant-garde apartments and 44 exclusive villas, carefully designed to maximise space, natural light and everyday comfort. Thanks to its exceptional frontline location, the properties enjoy a magnificent Mediterranean setting and impressive sea views.

The apartments are available with 1 or 2 bedrooms and feature spacious terraces where you can enjoy the pleasant climate of southern Spain almost all year round. What is more, the apartments are delivered fully furnished and ready to move into, including furniture, electrical appliances and air conditioning. All you need to bring is your suitcase.

The outstanding communal facilities make this development even more special. Residents will enjoy access to a private beach, two swimming pools – including one heated pool –, a stylish Beach Club, fully equipped gym, sauna, Kids Club, Game Center and Business Center. This makes the resort an excellent choice not only for holidays, but also for extended stays and comfortable year-round living.

Location is one of the development's greatest assets. The lively centre of Mojácar is situated just

approximately 150 metres away, while the new station currently under development can be reached within approximately five minutes by car. Nightlife is also only a few minutes away, while a fun water park is located approximately one kilometre from the development.

International accessibility is equally convenient. Almería Airport is approximately 50 km away and Murcia Airport around 70 km away, making the Costa de Almería easily accessible for both international property owners and holidaymakers.

Combining frontline sea views, an exceptional location, extensive resort-style facilities and fully furnished new-build properties, this development represents an attractive opportunity for anyone looking for a second home on the Spanish coast, a permanent residence in the sun or an appealing real estate investment.

A unique opportunity to invest in an exclusive Mediterranean lifestyle, directly by the sea on the beautiful Costa de Almería.
