Description:

2 bedroom apartment, located in Meia Praia, in a privileged location just a few meters from the beach and with particularly comfortable access to the beach. A property that combines comfort, luminosity and proximity to the sea, ideal for those looking to enjoy the Algarve all year round or have a holiday home by the beach.

Located on the second floor of a well-kept building, with a lift, the apartment has a functional layout and comfortable interior spaces. The entrance hall leads to the fully equipped kitchen, which also has an independent laundry room. The living and dining room stands out for its spaciousness and natural light, with direct access to a pleasant balcony, creating a perfect environment to enjoy the outdoors.

The private area has two bedrooms with built-in wardrobes, both with access to their own balconies. The bathroom completes the living area.

The property also benefits from a parking space, providing secure parking, a particularly convenient asset for a beach house.

The location is one of the great attributes of this property. Within walking distance of the extensive beach of Meia Praia, it allows you to leave the house and reach the beach in a few minutes, without the need to use the car. The Marina de Lagos, the historic center, restaurants, cafes and other services are also within walking distance, allowing you to combine the tranquility of living by the sea with the convenience of having the city close by.

Here, the rhythm of the days can be marked by the proximity of the ocean, walks by the sea and late afternoons on the balcony. A particularly interesting location both for those looking for a permanent residence by the beach and for those who want a holiday home where they can truly enjoy the Algarve.
