Description:

Set on a generous 2 215 m² private plot in the Carvoeiro Val del Rei area, this spacious three-bedroom detached villa offers 385 m² of built area including terraces and outdoor spaces, a private south-facing swimming pool, mature, landscaped gardens and open countryside views. Built in 1992 and arranged over two floors, the property provides substantial indoor and outdoor living space with excellent privacy, while being approximately between 515 minutes by car from Carvoeiro, Shops, Restaurants international schools (English German), all amenities and the surrounding beautiful beaches and golf courses.

The ground floor is arranged around generous living and entertaining areas with direct access to the terraces and gardens. An entrance hall leads into the open-plan living and dining space, where a wood-burning fireplace adds warmth and character. The separate kitchen is complemented by an adjoining utility laundry room. Two en-suite bedrooms with fitted wardrobes and access to the garden are also located on this level, together with a guest WC, and a storage space under the stairs making the layout practical for both permanent living and holiday home or also rental investment option.

The upper floor is dedicated to the principal bedroom suite, creating a particularly private owners retreat. It comprises a spacious bedroom with an en-suite bathroom, walk-in wardrobe and direct access to a private terrace overlooking the surrounding countryside. An adjoining sitting or office area provides an additional private living space and features the property's second wood-burning fireplace, making this

floor equally suitable for working, reading or relaxing away from the main living areas. Outside, the villa is surrounded by mature, landscaped gardens with automatic irrigation and garden lighting. Covered and uncovered terraces overlook the private south-facing tiled swimming pool, while a barbecue and traditional bread oven create an inviting setting for outdoor dining and entertaining. Further practical features include a one-car garage, additional private parking, electric entrance gates and a fully fenced plot.
