Description:

This French-designed 5-bedroom villa sits on 892 sqm of manicured land, delivering both family comfort and solid investment upside. Rice field views frame the private pool and pagoda lounge, while the modern contemporary build (completed 2025) comes fully furnished and ready to occupy or let immediately. Five full baths, separate air-con units, a 13.2kW generator system, and a licensed Pondok Wisata permit mean you're buying finished product with zero surprises. The 30-year leasehold structure is solid; the short-term rental income potential is real. This is the kind of property that works for owner-operators wanting lifestyle and passive income in the same package.
