Description:

Semi-Detached House for Sale in Moraira, Fanadix. This charming semi-detached house for sale in Moraira is located in a small and peaceful residential development in Fanadix with just 21 properties, offering a communal swimming pool and spacious terraces surrounding the pool.

The property is situated in a corner position, giving it more privacy and outdoor space than a typical semi-detached house. It is only attached to a neighbouring property on one side, while the other side is completely open. This position also provides plenty of natural light and good airflow.

At the entrance, the owners have created a small and very welcoming outdoor area with a pergola and seating, artificial grass and several fruit trees. There is also space for a barbecue, creating a pleasant spot to sit outside and enjoy the Mediterranean climate.

The property also has private parking.

Inside, the main floor features a spacious and bright living room with large windows and a large, fully equipped open-plan kitchen. On this floor there are also two bedrooms and a bathroom.

Upstairs, there is a third bedroom with its own en-suite bathroom. From this floor, you can access a private terrace with sea views.

The outdoor area offers plenty of privacy and a low-maintenance garden, with several terraces and different spaces where you can relax, enjoy the sun or have meals outdoors.

The corner position is undoubtedly one of the main features of this semi-detached house in Moraira.

Being at the end of the row means there is no neighbouring property attached on one side, creating a greater sense of space and privacy and making better use of the outdoor areas.

A comfortable and easy-to-maintain property for sale in Moraira, ideal as a permanent home, holiday home or investment on the Costa Blanca. Get in touch — we're your local estate agent in Moraira.
