Situated in the very pleasant residential neighbourhood of Vistabella, this flat enjoys a quiet, leafy setting whilst offering walking distance to a wide range of amenities: supermarket, restaurants, chemist, hairdresser, padel courts... The famous 18-hole Vistabella golf course perfectly complements this sought-after living environment.

Situated on the first and top floor of a recently built block (completed in 2016) within the Capri II development, this flat appeals with its modern architecture, its carefully maintained communal areas and its pleasant surroundings.

The complex features beautifully landscaped grounds, a communal swimming pool and various facilities dedicated to relaxation and leisure, including a pétanque area.

A bright and perfectly designed interior

The flat comprises:

The real highlight: a magnificent, fully furnished sun terrace

The flat benefits from a spacious private rooftop sun terrace, offering beautiful, unobstructed views of the surrounding countryside and allowing you to make the most of the sun throughout the day.

Much more than just an outdoor space, this sun terrace is a genuine extension of the living area, designed to make the most of the Mediterranean climate.

In particular, it offers the chance to enjoy:

an outdoor kitchen, ideal for meals and evenings with friends;

several fitted areas, allowing you to create different zones: a dining area, an outdoor lounge, a relaxation corner, or a sunbathing and shower area;

plenty of additional storage, handy for organising and storing outdoor furniture, leisure equipment or simply keeping the space perfectly tidy;

a cosy and private space to enjoy al fresco dining, long summer evenings and sunny days.

A rare outdoor space that creates the feel of a private rooftop, whilst offering unobstructed views and a lovely sense of privacy.
