Description:

Business Transfer Turnkey Restaurant in Saldanha, Lisbon

Excellent opportunity to acquire a fully fitted, modern restaurant ready for immediate operation, ideally located in the highly sought-after Saldanha Avenidas Novas area of Lisbon.

Situated on Avenida João Crisóstomo, the restaurant benefits from a strategic location in a lively neighbourhood surrounded by offices, businesses, shops, services and residential properties, generating a diverse customer base and activity throughout the day.

With approximately 40 m², the premises have been designed to provide a practical and efficient layout while maintaining a modern and welcoming atmosphere. The restaurant offers 24 indoor seats and 2 outdoor seats, as well as a large street-facing window providing excellent natural light and visibility.

The space features a functional service counter and professional preparation area and is equipped with air conditioning and a central fire detection system.

Its layout makes the premises suitable for a variety of concepts, including a restaurant, café, brunch concept, healthy food business, coffee shop or takeaway.
