Informação adicional:

The quality of construction stands out as well as the application of high-end materials. It has good interior areas in all rooms, all in harmony and balance with the outdoor space and its surroundings.

It is developed on two floors:

The first floor consists of a suite with built-in closets and private bathroom, two bedrooms with built-in closets, common bathroom, equipped open space kitchen, laundry, dining room and a large living room in open space concept. This entire floor has large door-windows which allows access to the outside in all parts and the maximum use of natural daylight.

On the second floor there is an excellent suite with 23m2, with built-in closets and private bathroom, with a magnificent balcony all facing south with superb sea views.

Outside you can enjoy a saltwater heated pool and support shower.

Beautiful gardens with its automatic irrigation system, a magnificent steakhouse for great leisure moments and a support bathroom.

On the ground floor is the garage with 40m² and can park up to 3 vehicles.

With good accessibility, close to restaurants, various services and just a 5-minute walk from the beach.
