Fantastic building plot in Dolores

We present this great building opportunity, a 390 m² plot for sale in Dolores town centre. Dolores is a 10 km (6.2 mi) from the nearest beaches in La Marina and Guardamar. Our 2 beaches, La Marina and El Pinet, were granted the Blue Flag Award.

The town of Dolores is easily accessible from the Mediterráneo Motorway and the new Elche motorway. There are several festivals every year and you will love the famous Spanish Horse Contest. You will also be situated a mere 20 minute drive to the International Alicante Airport and 12 minutes from La Marina village and Urbanisations.

On this plot, you can build a fantastic house and still be at a walking distance to all the amenities. You will love it if you are a townie at heart.

Visits are highly recommended. Don't miss this great building opportunity, either for an investment, or to start your new life in Spain!
