Sporades-Alonissos -: Available for sale in exclusive area Parcel of 4205 sq.m. in the area of Paliohorafina Alonissos. The parcel is buildable. The property is a facade on the road. The location of the parcel is ideal as it is located 1200 meters from Patitiri Alonissos, which is the center of Alonissos. it is suitable for someone who wants to build their home in nature or invest in tourism. The parcel has olive trees and is easy to power as there is a power grid of PPC.

Glamorous as a jewel under the Mediterranean sun, Alonissos is a part of the island of Northern Sporades. The Alonissos archipelago was a crossroads of civilizations on the ancient Aegean sea trade route, for the first groups of Paleolithic hunters to the ancient societies of farmers, pirates.

The National Marine Park of Alonissos and Northern Sporades was established to protect the Monachus Monachus Monk Seal and its habitats. it is the first marine park established in the country under the Presidential Decree (May 16, 1992) and the largest European Marine Park (approximately 2,260 km 2). The implementation of regulatory measures in delineated areas of the National Marine Park contributes to the conservation of biodiversity and sustainable development.

A landmark in the history of the island is the strong earthquakes of 1965, during which the country was deserted and later abandoned. its inhabitants live today in Patitiri while Chora is now rebuilt by locals and foreigners and has become a picturesque village lost in the history of time.

The blue sea background combined with the green of pine forests creates a unique landscape. However, the journey does not end here as you can discover and discover the unparalleled beauty of Alonissos through diving in caves, swimming in the crystal clear waters of the beach, hiking, visiting the Piraeus

Museum (www.alonissosmuseum.com) and tasting traditional products.
