Spacious, cozy 2 BR villa in an established residential community on the North Coast

The cozy 2 BR villa Sosua sits on a large lot overlooking a lush tropical ravine. The fenced and very private yard has mature landscaping, including banana, coconut, lemon, lime, and passion fruit, plus many flowering trees and bushes. The main living area features a bright kitchen with a large island and lots of storage cupboards, along with a spacious dining and living room area. The high ceilings help to keep the home cool. There is air conditioning in the living room and each of the bedrooms. The large master bedroom comfortably fits a king-sized bed and has a walk-in closet.

In the casita is a washer and dryer, as well as extra storage space with built-in shelving. The villa is

furnished with all essential furniture and appliances included. The home has been full-time owner-occupied, so has been lovingly cared for and well-maintained.

This 970 sq. meter property is in a pleasant neighborhood where all the construction is completed.
