Informação adicional:

This stunning residential plot in Costa del Sol presents an exceptional opportunity for investment or development. Situated in the sought-after area of Los Pacos in Málaga, this plot offers breathtaking sea views and is conveniently located close to various amenities.

Spanning an impressive 20,000 square meters, this plot provides ample space for the construction of a remarkable project. With a built area of 11,000 square meters, there is significant potential for the development of 120 apartments. The plot's condition is good, and it is currently in a completed state, making it ready for immediate use.

The plot is situated in a completed and well-maintained residential area, ensuring a desirable living environment for future residents. Additionally, the plot does not have any neighboring buildings, allowing for privacy and tranquility.

The location of this plot is one of its standout features. Costa del Sol is renowned for its stunning coastline and year-round sunshine, making it a highly sought-after destination for both locals and tourists alike. Los Pacos, in particular, offers a harmonious blend of residential tranquility and easy access to the vibrant city of Málaga.

Furthermore, the plot's proximity to a range of amenities such as shops, restaurants, schools, and recreational facilities ensures convenience and comfort for residents. With its prime location and exceptional views, this residential plot presents an extraordinary opportunity for developers or investors seeking to create an exclusive living environment in Costa del Sol.

Overall, this residential plot in Costa del Sol is a remarkable investment opportunity, offering a prime location, breathtaking sea views, and the potential for a significant development project.
