Beautiful house with large barn centrally located between Szigetvár and Pécs.

In the house there is a living room, 2 bedrooms, kitchen, pantry and

bathroom. Beautiful complete house.

Condition of the house is good, but it can use an update.

The plot is 1,920 m² and in the garden there is a large barn.

Electricity and water are available. There is a septic tank for drainage. The house is heated with wood stoves. Connecting the internet and telephone is no problem.

Nagyváty is a village with 350 inhabitants, including several foreigners and also Dutch people. Nagyváty is located between Szigetvár and Pécs. In the village you can do some daily shopping, but also in other, somewhat larger villages in the area. There are 2 small (fishing) lakes next to the village and less than 20 km from Orfű, known for its lakes and water fun. Next to Orfű you will find Abaliget and a visit to the caves is worthwhile.

From Nagyváty you can also quickly reach Pécs and Szigetvár. In both cities a hospital, various schools, large retail chains, terraces, (thermal) swimming pool, sports facilities. restaurants and in Pécs there is a large market every Sunday. Beautiful opportunities in this area.

Nice house in a great area where several Dutch people have already found their Hungarian
