Nice house what can be a great holiday house, but is also suitable for permanent residence.

You enter the house through the veranda and in the house you have a living room, kitchen, bedroom, bathroom and separate toilet.

The plot is 1,066 m² and there are two covered carports, a well and a nice barbecue area.

Facilities such as water, gas and electricity are available. For drainage there is a connection to the sewerage system. The house is now heated with gas convectors. Connecting telephone and/or Internet is no problem.

Csokonyavisonta is a larger village with over 1700 inhabitants. Here you can do your shopping. In Csokonyavisonta also a thermal and beach. Great stay in this environment.

The somewhat larger city is Barcs at 15 km and in the other direction you are in Nagyatád. Both nice cities with a pleasant centre and several large retail chains. At 20 km you are at the international golf course of Hencse. Not only fun to play golf, but also to sit outside and watch.

Nice house where you can enjoy great holidays, but also suitable for permanent residence.
