An outstanding restaurant located in the heart of the village is offered for sale, characterized by its complete equipment and optimal operation that guarantees high profitability. The restaurant has two cosy dining rooms, each with a capacity for 50 diners, which allows a large number of customers to be accommodated simultaneously, in a warm and well-decorated atmosphere. In addition, it has a large warehouse and a fully equipped kitchen, key aspects to support its high demand and efficiency in the preparation of its renowned dishes.

This business opportunity is exceptional for several reasons: its privileged location in the center of the town, the complete infrastructure it has, and its proven profitability. It represents a safe investment for those looking to venture into the gastronomic sector or expand their presence in it, with the advantage of acquiring an already consolidated establishment with a loyal clientele.
