City area

Located in the south part of the city, Steglitz is a family, residential and lively district. Although located slightly on the outskirts, Steglitz is relatively well connected, and allows to reach both airports and the central station in less than an hour. Ideal for shopping, Steglitz is home to several very modern shopping malls. The street Schlossstrasse is particularly lively, lined with shopping and pedestrian streets. As far as culture is concerned, Steglitz is not to be outdone in particular thanks to the Haus am Waldsee, international venue for contemporary art. It is also a neighborhood with interesting architecture, mixing art deco buildings, bourgeois buildings and original contemporary constructions. Situated near famous Berlin lakes such as Wannsee and Schachtensee, Steglitz is the ideal area for lovers of space and nature.
