Informação adicional:

Located in Agios Nikolaos.

This is an 85m2 1st floor (top floor) apartment in the center of the village of Kritsa.

The apartment is in good condition and is ready to move into though a few small improvements would be nice to be made to it like painting and decorating part of it.

It comprises a large open plan living room/kitchen/diner, a bathroom and two bedrooms with cupboards.

There are AC units in both bedrooms and the living room.

The bedrooms both have access to the front balcony which enjoys nice views of the village and of the Sitia mountains towering over the Mirabelo bay in the background.

The living room gives access to the back balcony which looks onto a cute old village alleyway.

There is also access to the shared roof next to the apartments main entrance.

Within a short walk to the house you will find many cafes shops and restaurants as well as a super market, a bus stop (with frequent busses to the close by town of Agios Nikolaos and Heraklion airport), a pharmacy and other services and amenities.

Only an hours drive to the international airport of Heraklion Crete.

Less than a 10 minute drive to the province capital Agios Nikolaos and several sandy beaches.
