There is also a roof with pergola to park the car. The qualities of the interior of the house are normal and offer a familiar and pleasant atmosphere thanks to the wood-burning fireplace. The living-dining room is spacious and protected from the gaze of those passing by on the street thanks to the difference in height and the high walls.

The community is especially friendly, with owners of many different nationalities (Swedish, Irish, English, German, Spanish, etc.) typical of our beach area. The community areas are cared for throughout the year, as well as the community pool, in a gated community with owners who live all year round.

Some extras of the house are: mosquito nets on all windows, air conditioning (hot/cold), automatic gate door for car access, PVC exterior doors, storage room, security door, intercom, painted in 2024.
