This city has received the seal of the best quality of life at a national level, cultivating the art of welcoming anyone from anywhere in the world.

With a population of 100,000 inhabitants, the city is a regional economic hub with a strong wine industry (Dão demarcated wine region), thermal cultural tourism and services. Surrounded by several rivers and mountains, its location is centered on the national map where cultural heritage and gastronomy are some of the main qualities.

Viseu, also known as the "Garden City" due to its green parks and centennial trees, is the stage for cultural events that take place throughout the year.

The region is home to several museums and churches where hospitality is a strong hallmark of the district.
