Informação adicional:

Presenting this countryside house with 5463sqm land area located in the council of Camâra de Lobos.

Surrounded by green and characteristic warm climate that Camâra de Lobos provides, this property offers plenty of ways to create your own business concept. Already existing a vineyard it is possible to develop a wine production combined with accomodation units.

According to it's traditional aspect the house can be restored keeping the relation between present and past by giving to it your personal touch and idea. Featuring 4 bedrooms, 2 bathrooms, kitchen, 2 living rooms, balcony with amazing views and plenty of space in the outside to park vehicles. The property also provides 3 different accesses trough the road. Land's contruction index allows to build more buildings according to it's 6,100sqm total area.

The historic municipality of Camâra de Lobos is known by its traditional fisherman village where Sir Winston Churchill painted a picture in 1950, today known as Churchill's Bay. The local food and drink are scabbardfish and poncha, a must try for all visitors.
