Informação adicional:

This half acre lot would be a great opportunity for those in search of a natural and secluded area.

The land has a road access that is not yet paved or developed. The road is situated right above a ghut, which is a natural drainage channel carrying rainwater.

The land itself is raw and uncut, meaning that it has not been cleared or landscaped. From this land, you can enjoy a beautiful view of Paraquita Bay, which is a large lagoon surrounded by mangroves and hills.
