Informação adicional:

This high quality home provides three bedrooms, four bathrooms, a western kitchen, lounge, dining room, study/office, laundry room, an internal Jacuzzi, a 40sqm private swimming pool, carports and balconies. There is also estate security at night.

The ultra modern design is one of the great features of this stunning home. We love the way that the private swimming pool is positioned in the centre of the property, which is easily accessed from every part of the home. You can sit in the dining room and lounge while looking directly out towards the pool and its adjoining outdoor terrace.

High quality ceramic tiled floors run through most of the house with the exception of the wooden floors in the bedrooms. The home is surrounded by tall windows that create a soothing living environment that enjoys copious amounts of sunlight. The house also enjoys air-conditioning throughout.

There are three bedrooms in total, all of which have doubles beds and peaceful atmospheres. Of the four bathrooms, one owns a stunning internal Jacuzzi.

The house is available to buy with Freehold or Leasehold purchasing terms for the sum of 15 million Thai Baht.

This classy abode is situated in a centralized location on By Pass Road, near to numerous shopping centres and restaurants. This area of the island is ideal for reaching every part of Phuket with convenience.
