LOKVE - attractive plot of land 1267m2 for construction) for a family house / villa / apartments / house for rent / holiday house

At 780 meters above sea level, only 100 meters away from the lake, a plot of land with a total area of 1267m2. The plot is located next to the road, where all the infrastructure is located. The parcel has the right of easement of passage to the lake, in such a way as to build stairs where necessary and the like, which is in the function of creating a standard pedestrian passage. At the end of the plot, according to the spatial plan, another accumulation lake is planned. The land is located in a peaceful and quiet position near the lake - electricity and water next to the plot. Close to all amenities; Lokvarka cave, Omladinsko lake, National Park Risnjak, exit from the highway... Good opportunity for investors who are engaged in building apartments / houses for rent, but also for those who would like to build a vacation home or a family home in a quiet, peaceful environment
