A stunning minimalist family home with first-class solutions on the edge of a nature reserve, close to Budapest and the international airport. The residential park where this house is located is one of the most popular residential parks in Vecss due to its family layout and houses. Its green areas and tranquil American-style garden suburbs make it an attractive alternative for those who value proximity to Budapest and the international airport. The house is located in a quiet, green location next to a nature reserve, which could be an ideal choice for young families. The spacious, bright interiors feature large glass surfaces and clean lines, providing a luxurious feel. The impressive living room offers the perfect harmony of modern luxury. Huge windows fill the room with natural light, and the two-story ceiling height provides an impressive sense of space. The premium leather sofa and elegant furniture create a

sophisticated yet comfortable ambience. The open kitchen and dining area match the living room design perfectly. If you are looking for a truly exclusive, stylish home, this living room is guaranteed to enchant you! The house has 3 bedrooms and 3 elegant bathrooms, which provide maximum comfort for the residents. Carefully thought-out lighting and a clean design further emphasize the elegance of the bathrooms. The property also includes a spacious garage with enough space for two cars. The house is controlled via SmartHome technology and is equipped with modern energy-saving appliances (high-quality Weishaupt condensing boiler), which are sustainable in the long term. This house offers not only modern design, but also unrivaled comfort. A heated jacuzzi on the spacious terrace and a wellness pavilion with Finnish sauna and solarium i
