Verbania (Stresa) New construction villa

Villa La Loggia is a newly built villa with an internal area of 402 square meters and a magnificent view of the lake.

The architectural structure of the villa consists of two parallel buildings connected by a central structure. On the ground floor there is a large open plan area with a living and dining area, a kitchen overlooking the front towards the pool and its sun, an office and a guest bathroom. Beyond the living room is a porch corresponding to the terrace on the ground floor. On the first floor, in the sleeping area, there are three large bedrooms with a bathroom. In the basement were built a large garage, rooms for staff and equipment rooms.
