High above Altea, between the whitewashed houses and the green of the Sierra de Bernia, lies a place where time stands still. From its terraces, the Benidorm skyline looms in the distance, framed by a protected green area that guarantees privacy, light, silence... and fresh air.

This is Villa Serrella 2, and it's not just another property. It's a living experience. A project we renovated with a clear goal: to combine sustainability and luxury. The project has focused on energy efficiency and a life in contact with nature as its main pillars.

What makes it different?
