Elite residential project, located in one of the most prestigious and dynamically developing areas of Istanbul - Levent, is a harmonious combination of a modern living environment and professional hotel service. The location is distinguished by a high level of amenities, close proximity to business districts, cultural institutions, large shopping centers and leading medical institutions of the city, thereby providing an exceptional level of comfort for living and attractiveness for investors. The complex is being built on a 1,300 m<sup>2</sup> plot and is a five-story building with 76 residential units. The architectural concept is executed in a neoclassical style with an emphasis on high standards of quality and aesthetics. The layouts include 1+1 and 2+1 apartments, as well as duplexes with extended living spaces. The ceiling height is 2.9 m, which creates a feeling of spaciousness and full of light. Each apartment has a separate parking space. The complex offers apart-hotel services, including reception, concierge and valet parking, 24-hour
