For sale: a profitable wine business – a winery with 36 hectares of vineyards, modern facilities and export to 30 countries

A unique winery in a picturesque region of Spain with 36 hectares of vineyards and exclusive rights to produce cava (Spanish sparkling wine with Denominación de Origen).

Why is this winery unique?

1. Huge area – 36 hectares = 50 football fields! A fully operational business with potential for scaling.
2. Export to 30 countries – wines and cava are successfully sold on the international market.
3. Denominación de Origen (DO) for cava production – new licenses are no longer issued, which makes the business exclusive and highly profitable.
4. Maximum efficiency – automated processes, minimal personnel costs. The owner is a fan of optimization, premium equipment. Minimum number of employees (you will be surprised!).
5. Well-known brand – scalable business that can be increased several times without large investments.

6. Permit for the construction of an enotourism complex – up to 4,300 m² (hotel, restaurant, tasting rooms, winery).
 7. Smooth transition – the manager can stay for up to a year to pass on knowledge to the new owner.
 8. Bio-certification – wines and cava are sold in premium organic stores, boutiques and restaurants.
 9. One of the most efficient wineries in Spain – one of the top businesses (50
 10. key indicators: profitability, innovation, export, management and reputation).
 11. Access only through us – the property is not put up for public sale, we have exclusive rights.
 12. Tasting room for events with panoramic views of the vineyards.
 13. Own well – a key resource that guarantees constant access to water, which eliminates one of the main problems of wineries.
