In one of the most exclusive and residential areas of Pedralbes is this newly built luxury villa. The house of just over 1,200 m2 offers the best views of all of Barcelona, surrounded by gardens and green areas on a plot of over 2,000 m2.

Inside, luxury and design are harmoniously combined in all rooms. The highest quality materials were used in the finishing of floors, cladding and installation.

Heated floors with aerothermal heating, alarm with a modern video recording system, glass lift, wardrobes in the bedrooms with internal lighting - these are just some of the details used in the construction.

The house consists of 5 spacious suites with bathroom, dressing room and access to the outside, as well as a master room on the top floor of 150 m2.

A spacious and bright separate kitchen equipped with all the latest appliances, with a pantry and laundry.

A majestic living-dining room with a floating fireplace and panoramic views of the city.

A wellness area, sauna and a glass-enclosed swimming pool with underwater lighting measuring 16 m X 4 m with a beach of 4 m X 4 m, indoor and outdoor.

A fully equipped basement, a garage for six cars and a fully landscaped plot with various types of trees and plants.

We will sell your apartment or house.

There is a choice of apartments and houses in various budgets, including commercial properties.
