Detailed Description of the Complex

In a unique location, right in front of the beach of Vasiliki, a destination combining luxury, comfort, and

natural beauty is being constructed. The complex consists of 28 aesthetically pleasing apartments, designed to offer a distinct living experience by the waves.

It consists of four independent buildings, each of which includes seven carefully designed apartments. The architectural design and functional layout meet the needs of even the most demanding buyers. Each residence offers unobstructed sea views, while spacious terraces and private balconies provide the perfect space for relaxation and entertainment.

The residences are available in options from 1 to 4 bedrooms, covering different needs and preferences. All are fully furnished and equipped, ready to meet every requirement. Furthermore, each complex includes a shared pool, beautifully landscaped gardens, and private parking space.

Apartment prices start at €331,700, while some residences qualify for the Golden Visa, offering an excellent opportunity for those seeking permanent residence in Greece.

Vasiliki is one of the most popular coastal destinations, known for its wonderful sandy beach, picturesque atmosphere, and excellent entertainment and dining options. With easy access to shops, restaurants, cafés, pharmacies, and medical services, the location ensures a comfortable and pleasant stay. At the same time, it serves as an international attraction for water sports enthusiasts, offering unique windsurfing and sailing experiences.

This is an excellent choice for both a holiday home and investment opportunity. We offer a comprehensive short-term rental management program, ensuring returns of 5% to 7.5% per annum. Additionally, there is the possibility of VAT (24%) refund for buyers who choose to manage the property through tourist rentals.

A unique opportunity that combines luxury, location, and investment value.
