OPATIJA, POBRI - terraced villa 270m2 with sea view + landscaped garden 300m2

In our exclusive offer we have received a wonderful project in the vicinity of Opatija. The project consists of two residential buildings with three villas in a row in each building. The project is currently in the final stage of development in a very beautiful and quiet location with a view of the sea, just 1000 meters as the crow flies from the first beach. Each villa is unique and unique, and differs from others. Below will be the equipment that each villa will have and a short description for each property. - heat pump located on the roof for underfloor heating on all floors - cooling and heating with a multi-split system from Daikin - oak three-layer parquet in the rooms - first-class ceramics in the other rooms - Villeroy&Boch/Grohe sanitary ware and fittings - Alu/PVC carpentry in anthracite color - preparation for solar power plant - massage pool 200x200 - energy class A - sauna in villas with wellness Villa Michelle consists of three floors. In the basement of the villa there is a garage, wellness/gym, engine room and bathroom. On the ground floor there is a spacious living room with a kitchen and dining room in an 'open space' concept, a hallway, a bedroom with a bathroom, a separate toilet and a storage room. There are three bedrooms on the first floor, of which the master bedroom has its own bathroom and dressing room, an additional bathroom, a corridor and a south-facing terrace with a view of the sea. The villa has two parking spaces and a garden with a swimming pool. Definitely an interesting and special property!!!! Recommendation of agents you can contact for more information and floor plans.
