Međugorje, Commercial Building Under Construction, 5085 m2

A larger building has been constructed in rough works on a four-story structure, located in an excellent location. The total area of the building is 5085 m².

The land area on which the building is constructed is 4800 m².

Given that the building is in rough construction with installations, it can be repurposed for various uses such as a hotel, motel, retirement home, healthcare clinic, etc.

The buyer will be responsible for the repurposing and associated costs.

The property is located in a very attractive area, and there are no more available plots nearby for such an investment.
