### Charming Rural Stone House for Renovation in the Eastern Rhodope

Mountains ONLY 35 MINUTES FROM THE GREEK BORDER Nestled in the heart of the Eastern Rhodope Mountains, this traditional two-storey stone house offers a rare opportunity to create your dream rural retreat.

With approximately 90 sq.m. of living space, the property features six rooms spread across two floors, all waiting to be brought back to life with your personal touch. The house retains its authentic character, with a beautiful stone roof, original stone walls, and a wood-burning furnace in the attached shed, for those cozy mountain nights. The yard has been cleaned and is ready to be designed by the new owner.

Additional structures include outbuildings for storage or potential development, as well as an external WC. Set on the edge of a remote village in the southernmost part of Haskovo region, the property enjoys stunning views of surrounding hills, in an ecologically clean area. Nearby are the fortress Byalgrad, fortress of Lyutitsa, the river Byala reka and others. With fewer than 30 residents, the village offers peace, privacy, and a chance to disconnect from the hustle and bustle—yet still has a local shop for essentials. Located just 35 minutes from the Greek border, this is an ideal getaway for nature lovers, creatives, or anyone looking to live simply and sustainably. A true escape to serenity—ready for your vision.
