**ABOUT THE AREA**

Sal is an island in Cape Verde, off the coast of West Africa. In the east, Pedra de Lume is the site of a former salt mine in the crater of an extinct volcano, with reputedly therapeutic salt water. North of the capital city, Espargos, the Terra Boa mirage appears as a lake in the desert landscape. The island's white-

sand beaches include the long, half-moon shore at Santa Maria, a busy town on the southern coast.
