Enjoy your holiday in Dresden in a spacious, newly renovated semi-detached house with sunny terrace, garden and pool. The Elbharmonie holiday home offers you an ideal holiday home for up to ten people. Only 20 minutes from the city centre, the 150 m² house has three floors with four bedrooms, two bathrooms (each with shower or bathtub), a large living and dining area, an excellently equipped kitchen and a separate children's playroom. We have placed special emphasis on the high-quality furnishings, comfortable box-spring beds and loving details, so that you can enjoy your holiday to the full. The centre of the house is the spacious living and dining area on the ground floor. Relax with the whole family on the cosy couch and enjoy the blazing fireplace on cold days. There is room for all guests at the large dining table and media entertainment is provided thanks to W-LAN, flat-screen TV and stereo system. The beautifully designed garden area with terrace, pool, barbecue area and small children's playground invites you to linger on sunny summer days. We have been travelling around the world as holiday home guests for more than 15 years. We have incorporated all our experience into our own holiday property. The main focus is clearly on our/your children and our/your four-legged friends. Our Elbharmonie holiday home is located in the Dresden district of Zschieeren, only 500 m from the extensive Elbe meadows and one of the most beautiful and well-known cycle paths in Germany. Zschieeren is one of the best residential areas of the city because of its loose development of single-family and multi-family houses as well as villas. If you like peace and quiet, but want to be in the lively city centre quickly, this is the place for you. Thanks to the good public transport connections, you can also get around flexibly without a car. The nearest bus stop is only five minutes away. From here, for example, you can reach the S-Bahn in just five minutes. On weekdays, you can travel to the city centre every 15 minutes in just 20

minutes. It is also not far to Saxon Switzerland and the Ore Mountains. You can reach Königstein Fortress in about 30 minutes and Altenberg in the Ore Mountains in 40 minutes. Only a stone's throw away is the beautiful Pillnitz Palace and many other sights worth discovering.
