Palmanova is a popular holiday destination in Mallorca, because it has beautiful sandy beaches. Palmanova is a seaside resort with a wide, shallow bay and three excellent fine sandy white beaches with clear turquoise waters: Son Maties, Na Nadala and Es Carregado. On the side of the bay facing Son Caliu there is a small marina. The town is located in the heart of the popular southwest region and is a good starting point for various excursions to this part of Mallorca. Families like to come here, as do retired part-time residents from all over Europe.
