#### Informação adicional:

Situated in the peaceful and welcoming village of Castil de Campos, in the Cordoba province of Andalucia, Spain, this property is a great opportunity for all those DIY reform lovers who are looking to create their own countryside home in the warm sunshine of southern Spain. This large 378m<sup>2</sup> build 7 bedroom, 2 bathroom Cortijo comes with a generous size plot of 3,582m<sup>2</sup>, needing to be renovated throughout, the property is priced to sell at just 80.000 euros. The Cortijo already has solar panels installed and well water and would be ideal for those wishing to create a large countryside retreat with its substantially sized plot. For those potential buyers who are not professional renovators or builders, we would recommend employing the services of a local surveyor and/or architect to advise on how best to make full use of this large Cortijo with a big private courtyard and outbuildings. Castil de Campos is just 10 Km from the large historical town of Priego de Cordoba, only 2 Km for Fuente-Tojar and 74 Km (one hours drive) to Granada international airport.
