Santa Ponsa - Life all year round:

At first glance, Santa Ponsa - or "Santa Ponça" - is little more than a typical family resort for beach holidays. But on closer inspection, this "bag of wonders" holds a wealth of natural treasures and historic buildings. It is also home to some of Mallorca's most luxurious properties. The town centre has a magnificent backdrop of mountains and forests. World-class golf resorts are located on the outskirts of the city. Many owners of superyachts anchored next door in Port Adriano reside here.

Located in the southwest of Mallorca, Santa Ponsa has two large sandy beaches: the 560 metre long section known as "the big beach"; and the smaller bay of Caló d'en Pallisser, which locals call "Playa pequeña" or "small beach". All facilities for the typical sea, sand and sun family summer holiday are available here - and much more.

For shopping there is a large selection of boutiques and souvenir shops as well as the Saturday market with its quirky street vendors. The nearby Polígono Son Bugadelles is a large business park with a good gym and a wide range of retail businesses. Customers flock here from all over the island: furniture stores, construction element and yacht accessories suppliers offer their services, as do interior designers.
