This 2 bedroom townhouse property is situated close to the Parque Natural de la Sierras Subbeticas, a beautiful part of Andalucia, in the town of Carcabuey in the Cordoba province of Spain. Priced to sell, the townhouse with a garden and patio is in need of modernisation throughout but offers the opportunity to create a family home in the warm sunshine of southern Spain for a small initial outlay. Located on a quiet street with on road parking right outside the property you enter the property into a room with an open fireplace which leads to the outside patio and garden area which at present have large storage spaces. Also on the ground floor is a room to the left currently used as a double bedroom. Stairs lead up to the first floor where you have 2 large rooms. A bargain project in a great location.
