Informação adicional:

in the heart of the picturesque seaside village of Chorto, just 45 kilometers from the city of Volos, we proudly present a rare opportunity to acquire a truly unique property set directly on the water's edge. This two-storey detached house offers uninterrupted panoramic sea views and combines timeless traditional charm with modern touches.

Originally built in 1898 and fully renovated in 2018, the property retains its historic character with stone-built elements and wooden flooring, while providing comfortable, bright living spaces. It features three bedrooms, one bathroom, a spacious living room, a dining area, and a separate kitchen, which is in need of renovation—giving the new owner the freedom to personalize the space according to their taste.

What sets this property apart is its exceptional location—literally steps from the sea—with a breathtaking, direct view of the water from nearly every room. Whether used as a private residence or as a high-potential investment for holiday rentals, this home offers a rare blend of authenticity, elegance, and a premium seaside lifestyle.
