Informação adicional:

House located in Quinta do Anjo, on a plot of 358.03 m², standing out for the harmony between traditional architecture and well-being. With 190.62 m² of construction, of which 141.76 m² are private, it offers large environments and natural lighting. The implantation area of 131.12 m² ensures balance between interior and exterior space, while the 48.86 m² of dependent area ensures practicality in everyday life.

On the 1st floor of this villa, each space was designed to offer comfort and functionality. Upon entering, an entrance hall with built-in wardrobes provides organization and practicality.

The private area has two well-lit bedrooms, the common room with a wood burning stove, perfect for moments with family and friends.

The kitchen is functional and well distributed, with space for meals and sharing good times. This floor is completed by a bathroom with window.

The basement of this villa surprises with its excellent area, perfectly used to create a versatile, welcoming and full of possibilities environment. With a functional kitchen, ideal for entertaining friends and a full bathroom, comfort is guaranteed in every detail, to create a games room, a home cinema, a living area or

even a gym, all designed to elevate your lifestyle, without leaving home.

Living outdoors with comfort, flavor and nature.

The exterior of this villa is a true invitation to quality of life. A large leisure space with a traditional kitchen with a wood-fired oven offers the authenticity of the flavors of yesteryear.

Surrounded by several fruit trees, the garden is a spectacle of colors, aromas and freshness throughout the year with several fruit trees, fig, pomegranate, lemon, peach, tangerine, nectarine and physalia trees make up an authentic private orchard with a well to water the outside more efficiently and economically.

Efficiency, comfort and technology at the service of your home.

This villa combines modernity and sustainability with solutions designed for your well-being. Equipped with 10 EDP premium solar panels, 5 kw batteries, it offers intelligent and economical energy management for the whole house, with a 25-year warranty, it ensures peace of mind and long-term efficiency.

It also has 2 water heaters of 200 and 100 liters, ensuring hot water always available with maximum efficiency, and air conditioning in the living room and bedroom, providing thermal comfort in all seasons of the year.

This villa has a practical and functional garage, ideal for protecting your vehicle and ensuring safety on a daily basis. More than just a parking space, it is also a versatile area that can be used for storage, minor maintenance or even as a support area for the home.

Located in a strategic area, this house offers easy access to public transportation, proximity to schools and a wide variety of services around, ensuring practicality and comfort in your daily life.

Quinta do Anjo is approximately 40 km from Lisbon, with easy access via the A2, which takes about 35 to 40 minutes of travel, you can choose to cross the Vasco da Gama Bridge or the 25 de Abril Bridge, depending on your destination in the city.

This home is an excellent investment opportunity, with two entrances that offer versatility and potential for various uses.
