The house needs major repairs. There are mounted new

wooden beams on the ceilings in 2012. The house is on mud floors.

There are traditional heating units with chimneys in each room.

The village is very well maintained, there are community center, post office, shops and other foreigners living all year around. Very close to the Romanian border

as well as the big town of Silistra. Sitovo Municipality is very well

organized for its small size and population which is self-determined

in majority as Bulgarians. Next to the natural bird forest reserve

"Srebarna" – the biggest in Bulgaria. It's a corner property on an

asphalt road. Can be found where the solar units are. It can be bought

on pay monthly
