The house has a large open plan living and dining area which leads on through to a good sized fitted kitchen which has all the integrated appliances , a door from kitchen leads out to a fully tiled patio , which has two storage areas off to the left .

Upstairs there a full bathroom, all neatly tiled and of good proportions .

There are two double bedrooms on this level both of good size the larger of the two has a juliet balcony over looking the street , whilst the other has a window overlooking the patio .

On the top floor there is a further bedroom with built in storage and then under the roof there is a very handy storage area .

A door on this level leads out to the roof terrace which has views to west and south , ideal for sunset lovers !
